- Movie is HEAVY
 - May want to be quiet and think afterwards
 - At same time, should try to be sensitive to your friend and how they may be feeling or wondering afterwards

Discussion Starters

- "So... what'd ya think?"
 - Not too surprisingly, the movie evokes more questions than answers. This question will get more discussion than you'd imagine.
- "So... do you think it lived up to the hype?"
- "Wow, that was intense, huh?"

Discussion Hints

- It's OKAY to say, "I don't know, but let me get back to you about that."
- Be honest!
 - If you found the movie confusing or intense, your friend probably did too.
- Be ready to talk about how Jesus's death affects you personally and how the movie affects your view on your faith
- If all else fails, go to the bathroom and pray. 😊

Follow-up

- Don't let this just be one conversation about God!
 - PRAY
 - Follow-up by talking about it later or asking them if they're interested in a GIG
 - Invite them to a Seeker Large Group
 - Hint.. Hint.. Wink .. Wink... March 5... April 9
